

# Challenge Activities

## What doesn't belong?

1. Circle the non-living things in the picture above.

2. In the space provided, list all the living things you can find:

---

---

---

3. Colour in the coral reef ecosystem.

4. Extension:

Pick one of the non-living things in the picture that could be harmful to a coral reef.  
Explain why it is harmful and what you can do to prevent it from occurring.
